

The Movies: A Conversation Guide

Goals:

- Improve your ability to express your likes and dislikes
- Improve your ability to tell a story in the third person in the past or present tense

Description:

This topic gives you and your language partner the chance to talk about the movies. After you have each answered the questions below take turns telling each other about the plot of your favorite movie.

- What genre of movies do you like most and why?
- Are there any genres that you don't like?
- Who is your favorite actor/actress?
- How often do you watch movies?
- How much does it cost to see a movie in a theater in your country?
